To better assess whether University Prep is a good fit for your child, please respond to the following questions with candid yet concise answers. Please limit your comments to two typed pages. Please e-mail your completed Parent/Guardian Statement to [admissionoffice@universityprep.org](mailto:admissionoffice@universityprep.org) by January 15, 2009. Remember to save a copy for your records.

- A.** Please discuss your child's attitude toward school, home, peers and him or herself.
- B.** What do you believe your child will gain by attending University Prep? Please write about your goals and expectations and include your reasons for seeking admission to the school.
- C.** What are your child's special interests and abilities?
- D.** Does your child have medical or special needs such as learning differences or physical limitations? Please include any available written reports or testing information from the past three years.
- E.** Is there any additional information about your child that you think would be helpful to the admission team?
