

Middle School Spring Athletic Sign-ups 2010

Spring sign-ups will begin Monday, February 1st and conclude Friday, February 19th.

Before your student signs up, please engage in a thoughtful discussion about whether or not he/she can make the commitment to the team from the first day of the season to the last. We need to be assured that the sign-up numbers are accurate so that we may plan most effectively for the upcoming season. Practice schedules will be posted on the www.universityprep.org athletics website by February 22nd. Please review before signing up.
