Please email Wendy Robbins at: wrobbins@universityprep.org if you have any questions.

UPrep's College Counseling staff will be on vacation during the summer months. We look forward to talking with you when we return.

We are delighted that University Prep will be included in your fall visit schedule!

To schedule a visit, please visit: <https://he.intersect.hobsons.com> (more detailed instructions can be found at the sidebar on the left). Your request is pending until you receive a confirmation; We will confirm your request via email. Visit requests are processed on a first come, first served basis due to space availability.

University Prep's daily schedule is a rotating block plan of six academic class periods spread out over three days. We have set visit times each day for 30-35 minute sessions, and during particularly busy times, we will add additional visit times as needed.

On selected days in October (only), we are offering an additional visit time for schools during University Prep's long lunch days. Colleges will meet students in a college fair format in our newly renovated Commons. Please see our visit schedule on RepVisits for the days these mini-fair visits are offered.

As a reminder, we have found that the most productive high school visit is a presentation style where discourse, humor and questions allow for both the representative and the students to learn a great deal from one another. Additionally, if you would like to use our conference room to interview prospective University Prep applicants at the end of the school day, we are happy to help arrange this.

We look forward to hosting you!
